

Restricting Access to Your Saint Clare's Connect Information

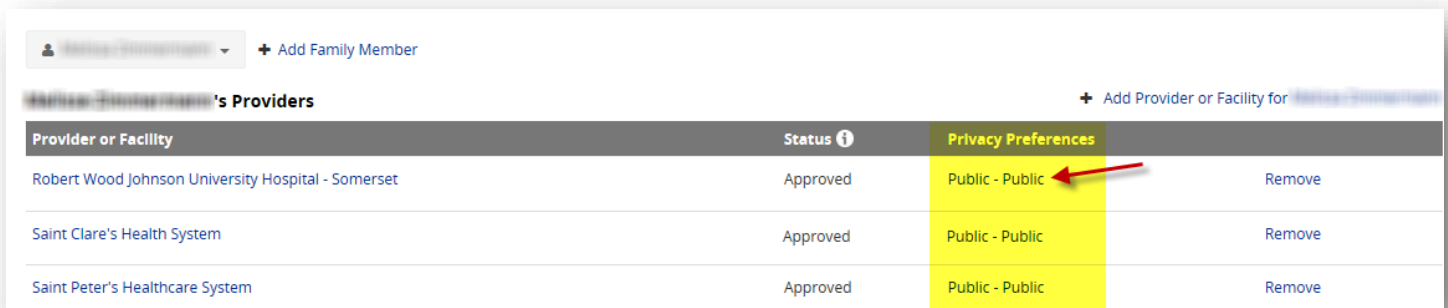

1. Log into your Saint Clare's Connect account.
2. If you have not set up an account, you can register [here](#):

3. Once you are logged on, click on Providers:

4. You can control how your information is shared under "Privacy Preferences". Click on the "Public-Public" link to edit:

5. You can select Private to restrict other members of Jersey Health Connect from seeing your information. Click Save when finished:
